

# FDG Community Creator - Elevated Sewers

## ACKNOWLEDGEMENTS & INSTRUCTIONS

Thank you to Timothy on the Fat Dragon Games Facebook group for asking for sewer stairs. This set was a really fun one night job, I hope you enjoy it. Thank you to Tom Tullis and the FDG staff for these textures and the permission to remix them for your delight. Thank you to the patrons of the Dungeonprint.com design studio who support so much of the best stuff this community gets. Thank you to Aaron Mulder and Colin Christensen, two of the best people anyone could ever hope to be associated with. Thank you to everyone who supports me and the other community designers with praise, constructive ideas, and financial support (like you!).

For this set you'll want to make note of the following special instructions:

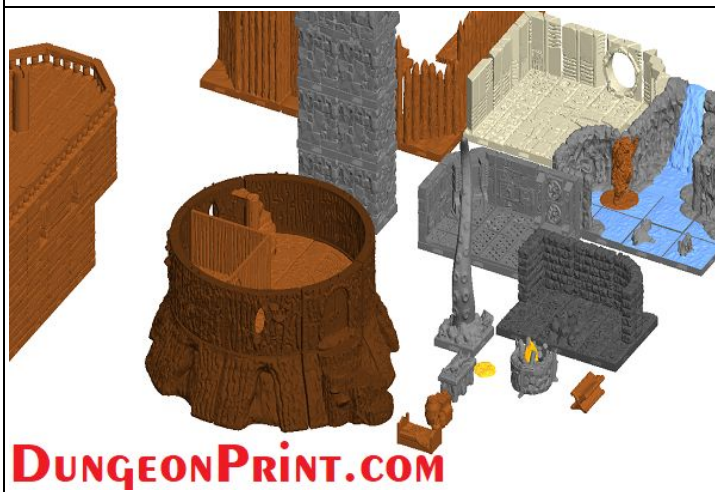

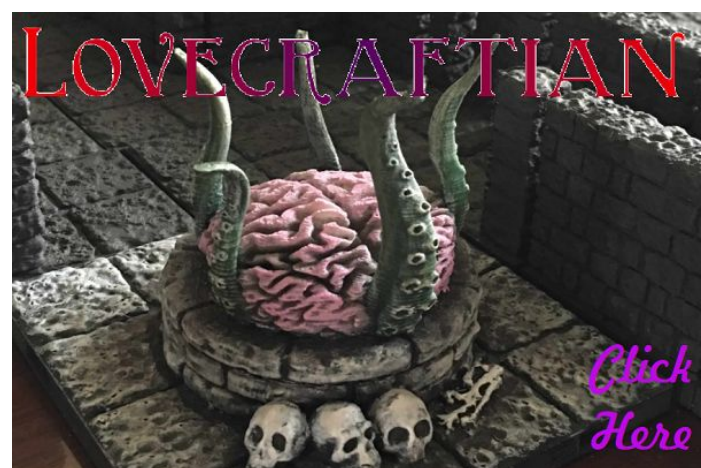

10% Infill for all models

## IMPORTANT ATTRIBUTIONS

For this set I'd also like to thank the following artists for releasing great models under friendly license terms:

None used in this set, yet...
