SF002 HEROIC SCI-FI, ALIEN STALKERS, Blue

To assemble, cut out each row of figures. Score the RED line, fold, and glue the figures back to back. Cut out the figures with a pair of scissors leaving about 1/8 inch around the figure. Optionally, you can cut the figures to the black outline with a hobby knife. When cutting the figure out this way, cut from the front view of the figure, the rear view has a wider outline to cover any misalignments. These figures can be based using the supplied fold-up bases, or any slotted base of adequate size.
