

IMPERATOR STAR DESTROYER

Star Destroyer model by Momir Farooq. Textures by Matt Hodges (from his brilliant work on the X-Wing Alliance Upgrade Project, extracted by Tyler Robbins, and then edited in Photoshop by Momir Farooq to fit this model). Emperor-Class Star Destroyers are the Intellectual Property of LucasFilm. This is a fan-made model for personal use with table-top role playing games. Available for free download at www.momirfarooq.com.
