

NOTES FROM THE CREATOR

- THERE IS A SET OF TEMPLATES RELEASED BY GAMEWORKSHOP IN WHITE DWARF #53,
- THEY ARE A GOOD RESOURCE FOR THOSE WANTING TO MAKE A "CLASSIC" STYLE BANEBLADE.
- THEY HAVE BEEN ALTERED TO MORE CLOSELY REFLECT THE CURRENT MODEL MADE BY FORGEWORLD.
- ALL DRAWINGS UNLESS OTHERWISE NOTED ARE FULL SCALE (1"=1"),
- IF YOU ARE UNABLE TO PRINT THIS DOCUMENT ON 8 1/2" x 11" PAPER, PRINT IT WITHOUT ANY SCALING.
- ALL UNITS ARE IN INCHES, 1" ≈ 25.4 MM
- THE TEMPLATES ARE SET UP SO YOU COULD USE PAPER, CARDBOARD, OR THIN PLASTICARD AND SIMPLY BEND ALL OF THE SHAPES.
- IF YOU ARE USING A THICKER MATERIAL YOU MIGHT HAVE TO TRIM SOME OF THE SHAPES.
- I STRONGLY SUGGEST READING OR LOOKING THROUGH THIS WHOLE DOCUMENT & MAKING A PAPER MOCKUP BEFORE YOU BEGIN WORKING ON YOUR ACTUAL MODEL.
- PLEASE CONTINUE TO SHARE THIS DOCUMENT. THESE TEMPLATES SHOULD PRODUCE A MODEL VERY CLOSE TO THE ONE SHOWN BELOW. FEEL FREE TO DEVIATE FROM THESE TEMPLATES AS MUCH (OR AS LITTLE) AS YOU LIKE. AS WELL AS TO CONTACT ME WITH SUGGESTIONS< COMMENTS< CRITICISM OR ANYTHING ELSE.
- I TRIED TO MAKE THESE AS EASY TO UNDERSTAND AS POSSIBLE, GOOD LUCK.
- SUPPORT GAMES WORKSHOP
- THANKS & ENJOY
- JSV

THE BAR BELOW WILL APPEAR ON EVERY DRAWING. IT SHOULD MEASURE 1" IF THE PAGE IS PRINTED CORRECTLY. IF IT DOESN'T MAKE THE NECESSARY ADJUSTMENTS SO THAT IT DOES.
