

NOTES FROM THE CREATOR(S)

-THESE TEMPLATES ARE BASED OFF THE OLD EPICAST REAVER TITAN MODEL. WE DID MAKE ADJUSTMENTS TO OUR DESIGN WHERE FUNCTIONALITY OR APEARACE REQUIRED. THE WEAPONS ARE ALSO ARE BASED OFF THE OLD EPICAST MODEL IF / WHEN FORGEWORLD / GAMESWORKSHOP PRODUCE RULES FOR THE REAVER TITAN, THESE WEAPONS MAY BECOME OBSOLETE.

- ALL DRAWINGS UNLESS OTHERWISE NOTED ARE FULL SCALE (1"=1"),
- IF YOU ARE UNABLE TO PRINT THIS DOCUMENT ON LEGAL (8½" x 16") PAPER, PRINT IT WITHOUT ANY SCALING,
- ALL UNITS ARE IN INCHES, 1" ≈ 25.4 MM

-THERE WILL ALWAYS CONTINUE TO BE DISCUSSION ON THE PROPER SCALE OF TITANS. THIS IS DUE TO THE MANY DIFFERENT MODELS & REFERENCES MADE TO THEM IN GW'S FLUFF. THESE TEMPLATES WILL PRODUCE A MODEL APROX. 20" TALL. IF YOU FEEL THIS IS TOO LARGE, MAKE THE PROPER ADJUSTMENTS.

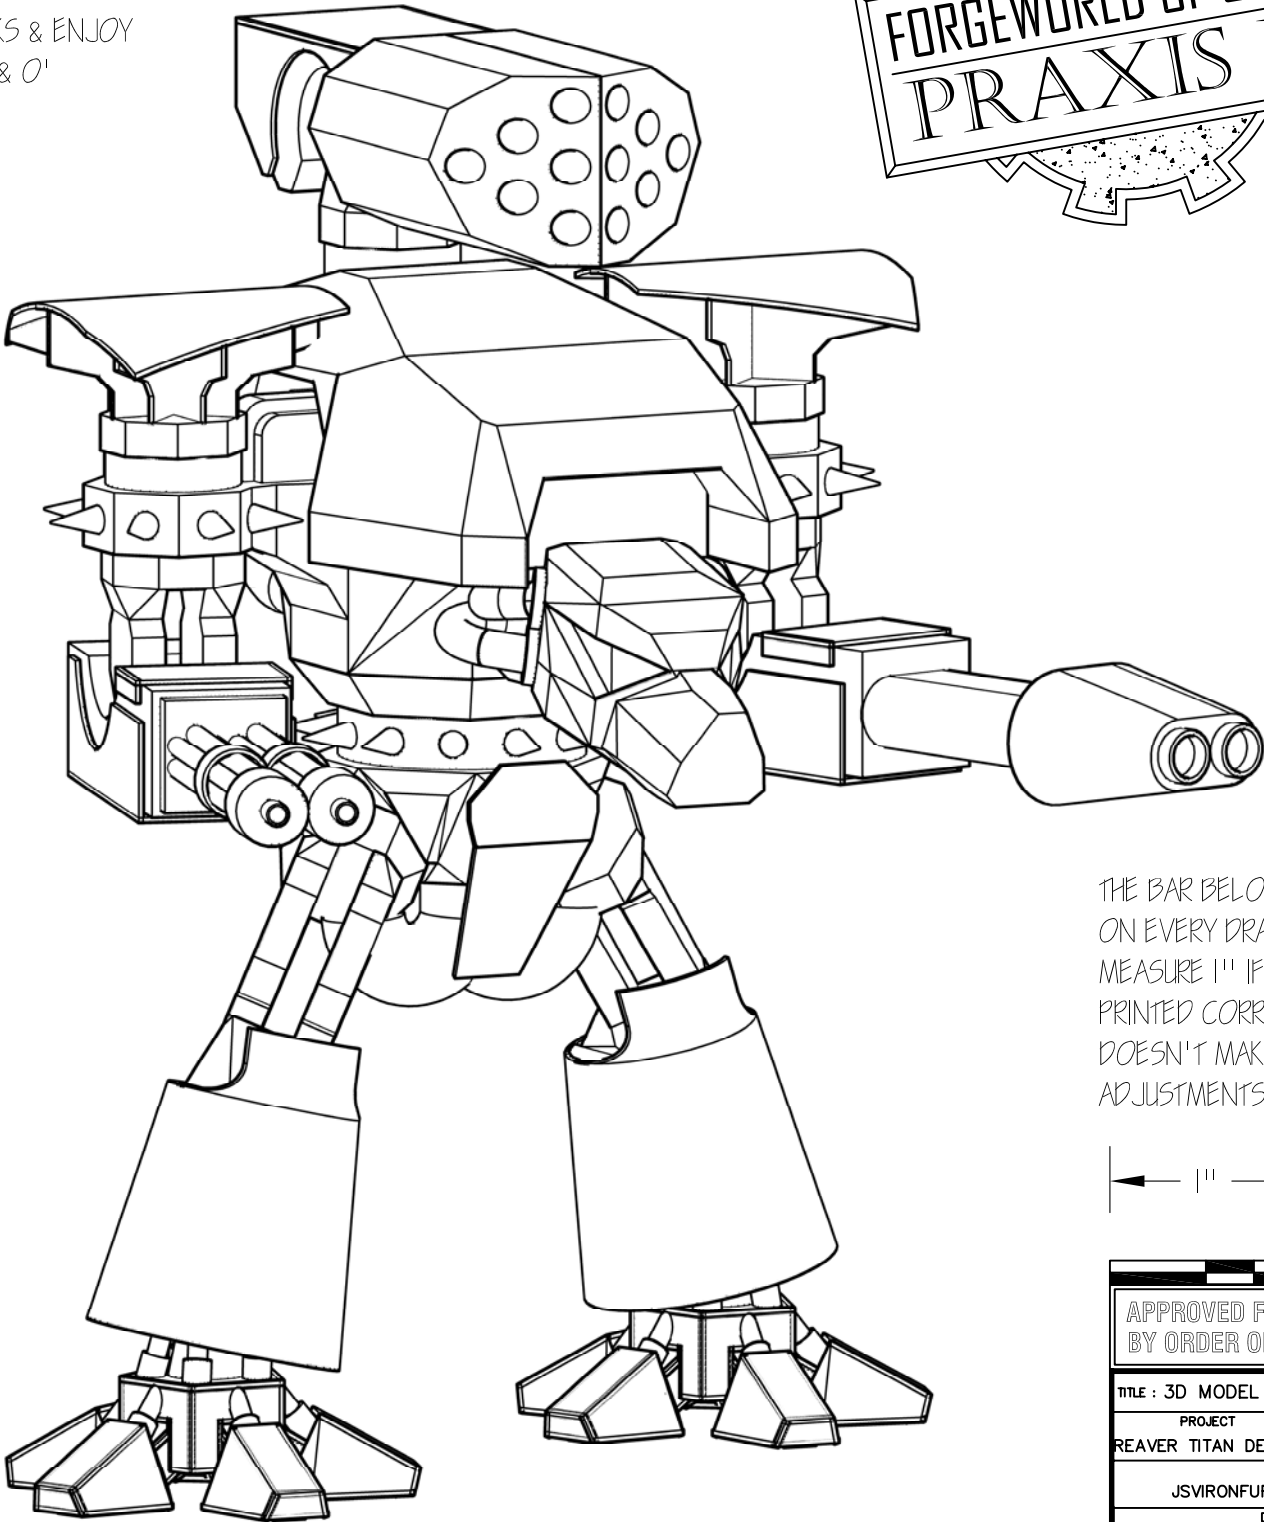

- THE TEMPLATES ARE SET UP SO YOU COULD USE PAPER, CARDBOARD, OR THIN PLASTICARD AND SIMPLY BEND ALL OF THE SHAPES.
- IF YOU ARE USING A THICKER MATERIAL YOU MIGHT HAVE TO TRIM SOME OF THE SHAPES.

-I STRONGLY SUGGEST READING OR LOOKING THROUGH THIS WHOLE DOCUMENT & MAKING A PAPER MOCKUP BEFORE YOU BEGIN WORKING ON YOU ACTUAL MODEL.

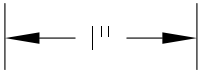

-PLEASE CONTINUE TO SHARE THIS DOCUMENT. THESE TEMPLATES SHOULD PRODUCE A MODEL VERY CLOSE TO THE ONE SHOWN BELOW. FEEL FREE TO DEVIATE FROM THESE TEMPLATES AS MUCH (OR AS LITTLE) AS YOU LIKE. AS WELL AS TO CONTACT ME WITH SUGGESTIONS, COMMENTS, CRITICISM OR ANYTHING ELSE.

- I TRIED TO MAKE THESE AS EASY TO UNDERSTAND AS POSSIBLE, GOOD LUCK.
- SUPPORT GAMES WORKSHOP

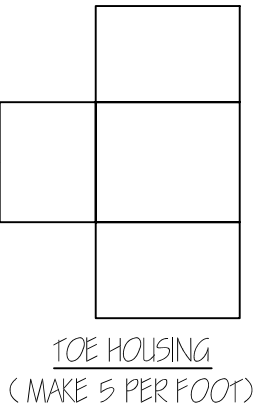

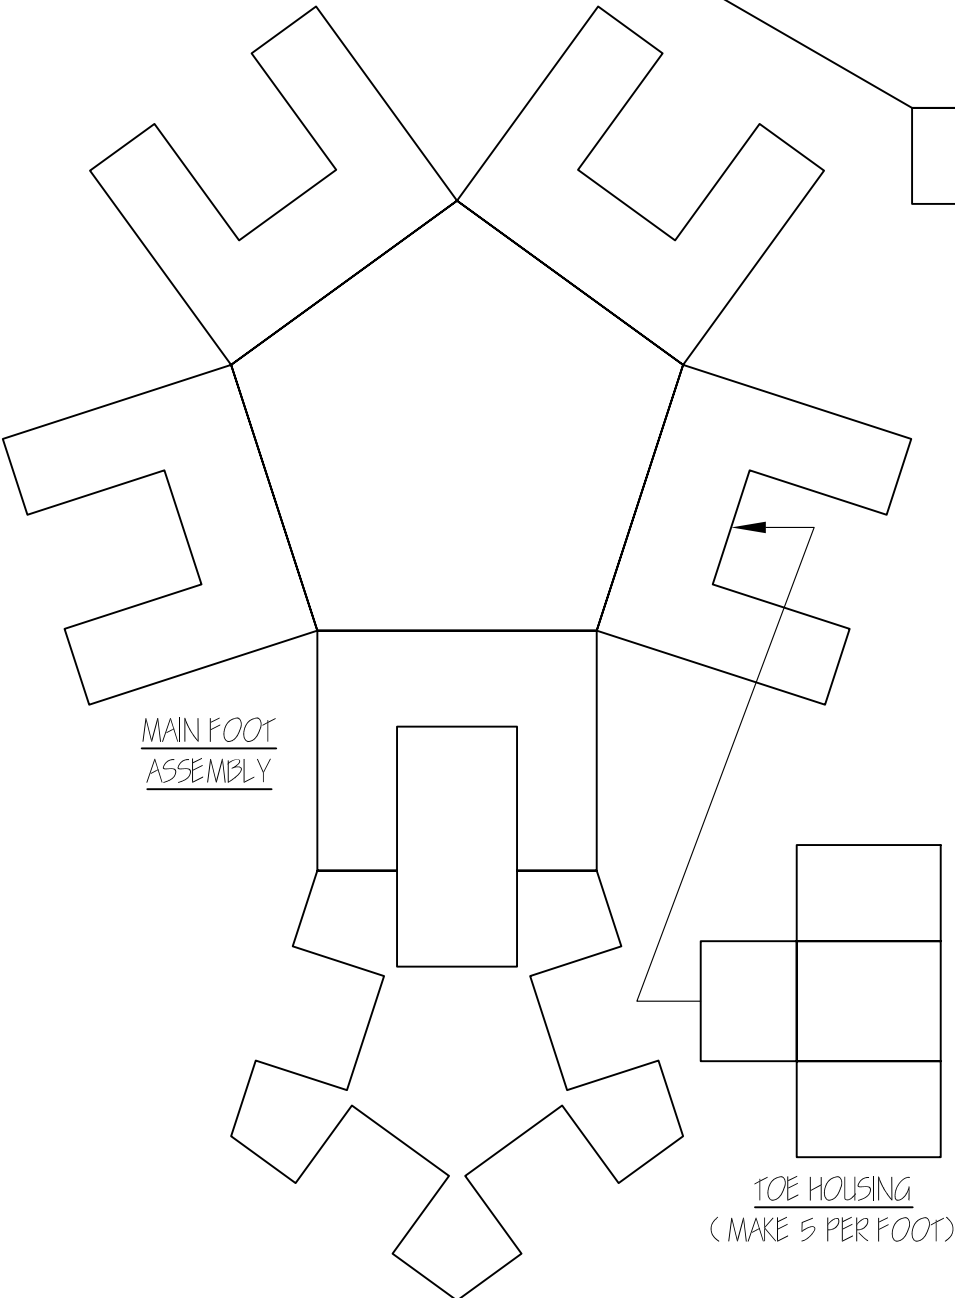

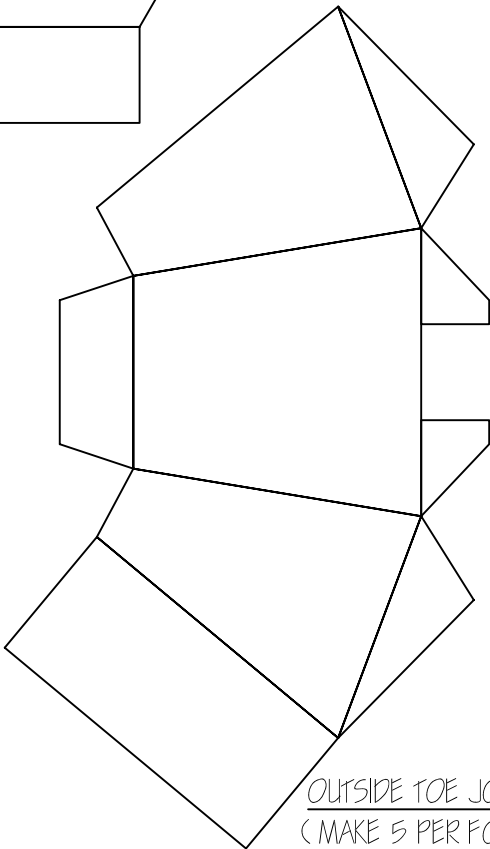

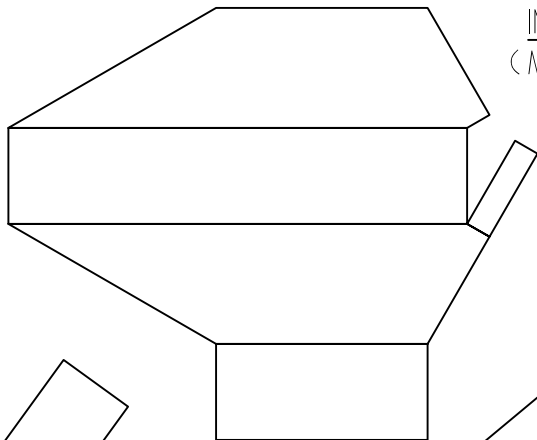

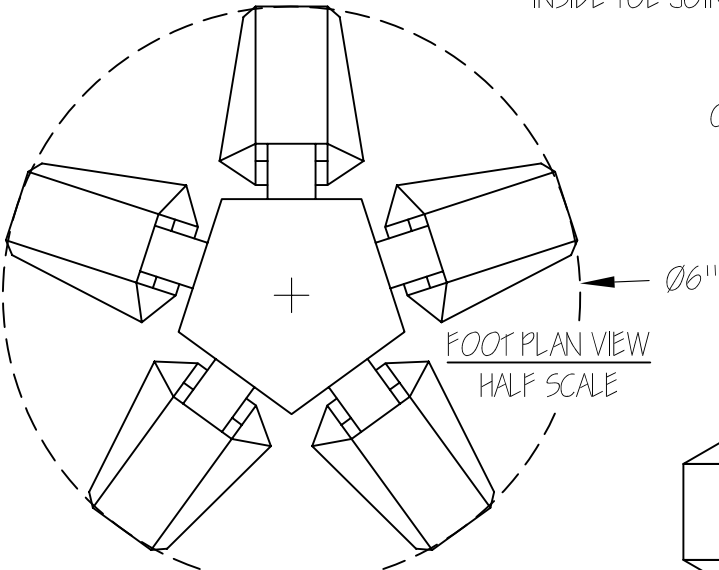

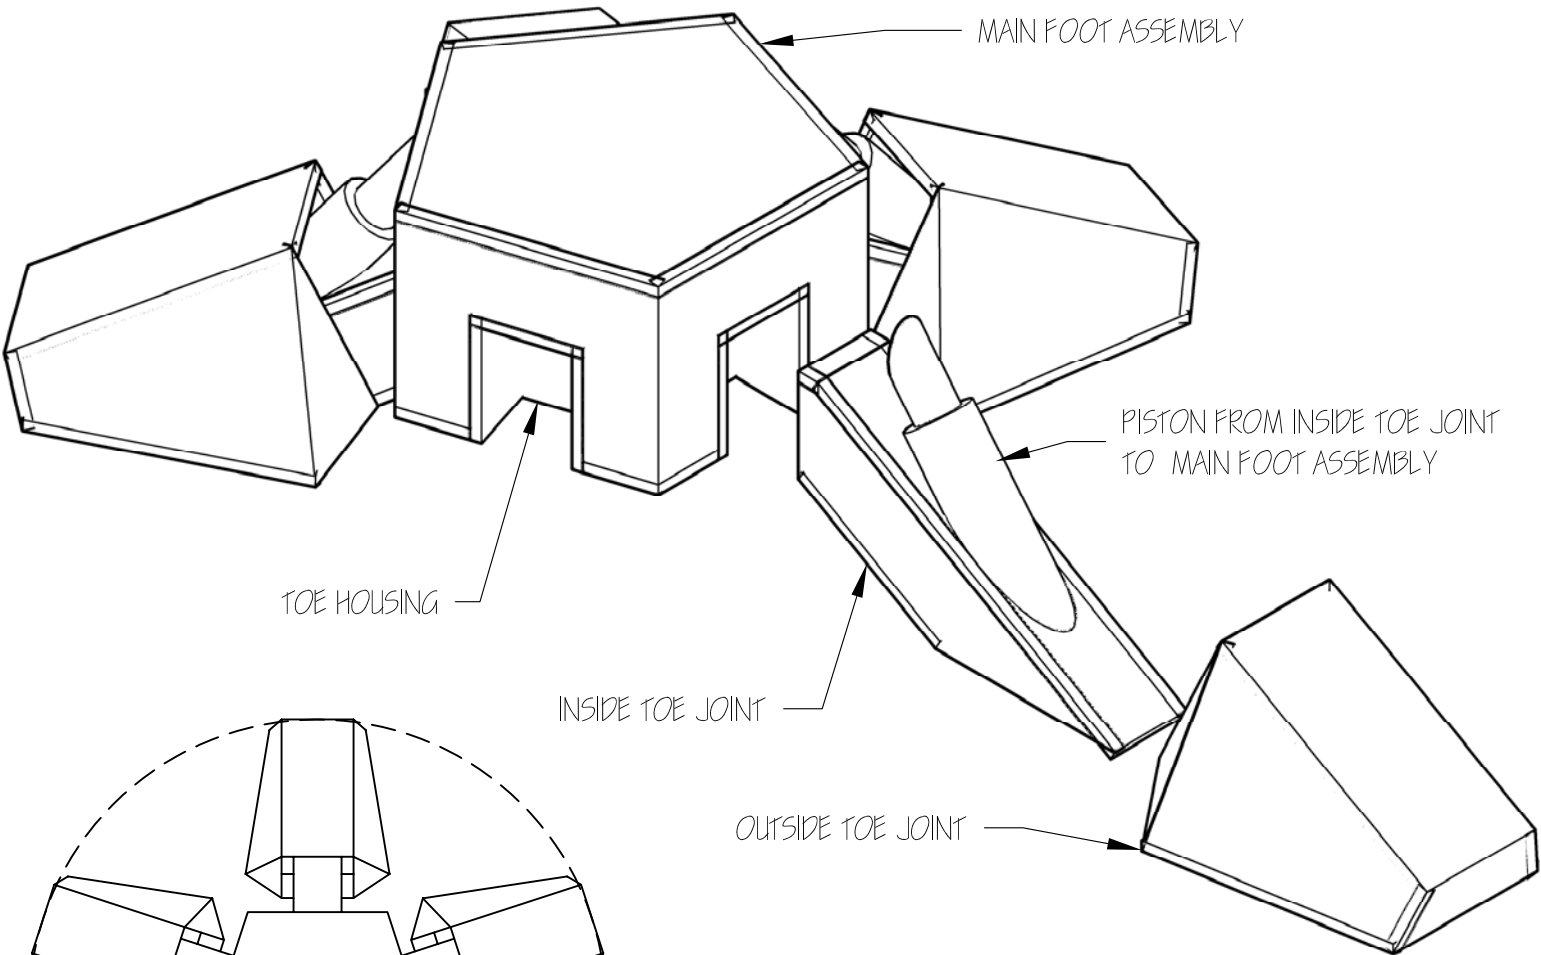

THANKS & ENJOY
-JSV & O'

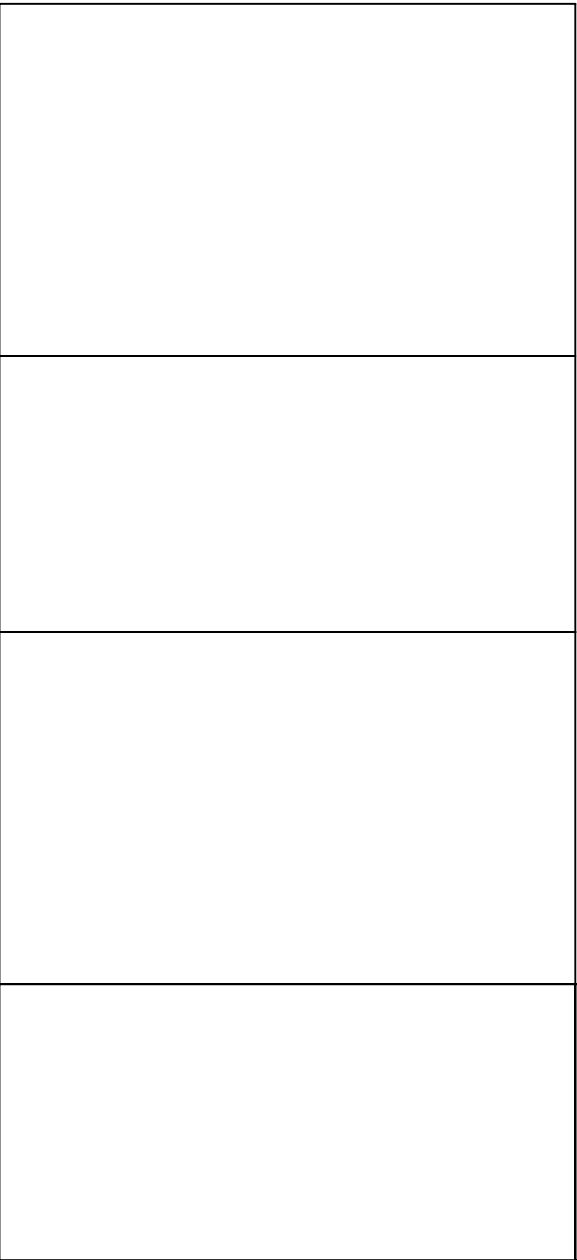

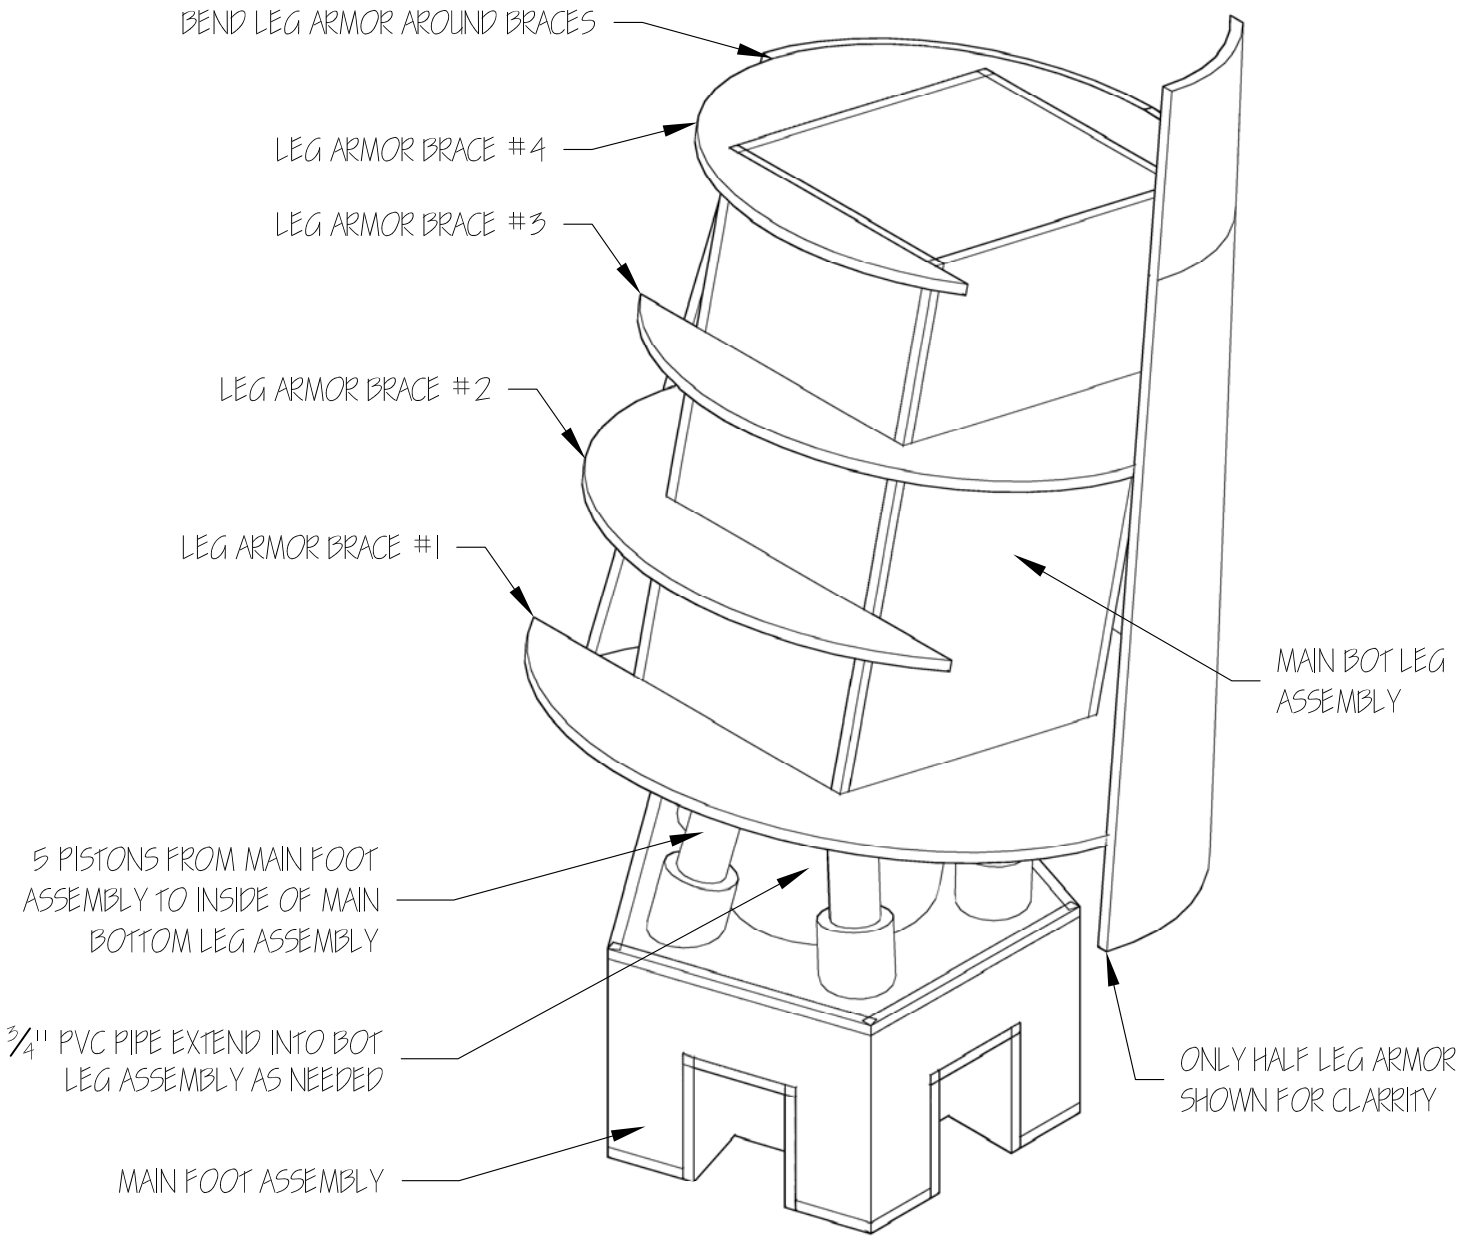

THE BAR BELOW WILL APPEAR ON EVERY DRAWING, IT SHOULD MEASURE 1" IF THE PAGE IS PRINTED CORRECTLY, IF IT DOESN'T MAKE THE NECESSARY ADJUSTMENTS SO THAT IT DOES.
