Character Creation

1. **Draw a character card from the pile**

2. **Calculate your ability scores. For each:**
    a. Roll a red and a green d6
    b. Subtract the red from the green
    c. This is your modifier. It may range from -5 to +5

3. **Calculate your AC and HP**
    a. Your AC = 10 + DEX or CHA
    b. Your HP = 10 + CON

4. **Begin!**
