# E-Z DUNGEONS

## Crates

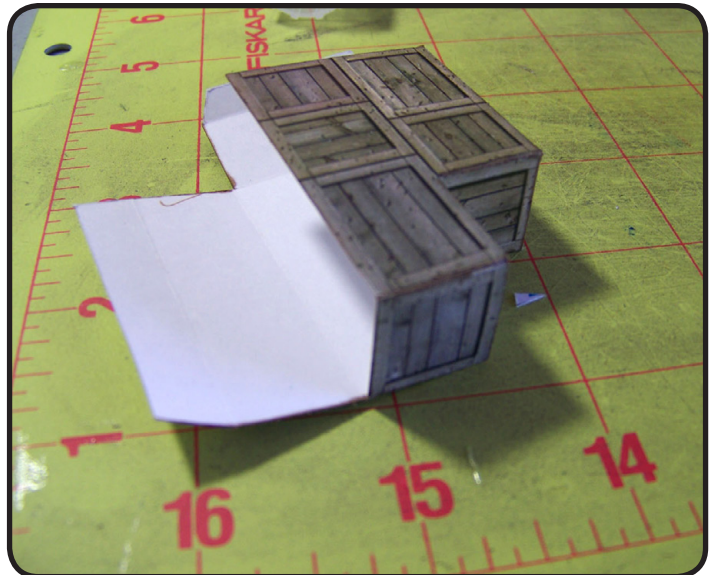

1: Cut, score and test fold as shown.

2: Glue the inside corner (reverse fold) flap as depicted above.

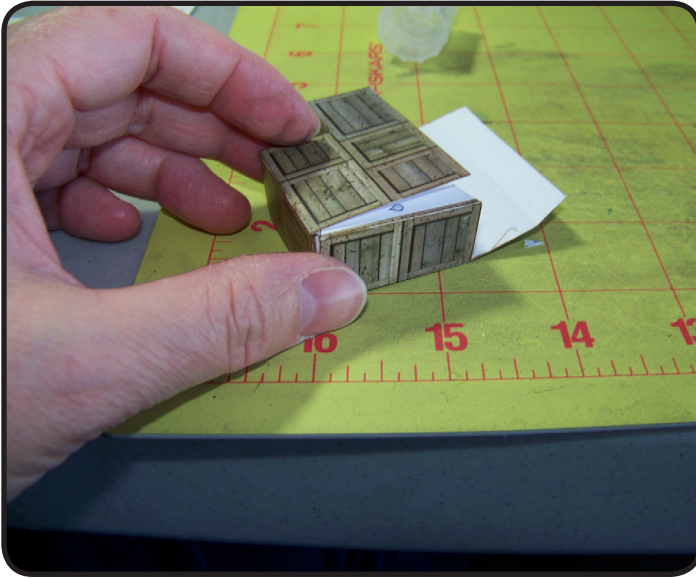

3: Repeat for opposite side.

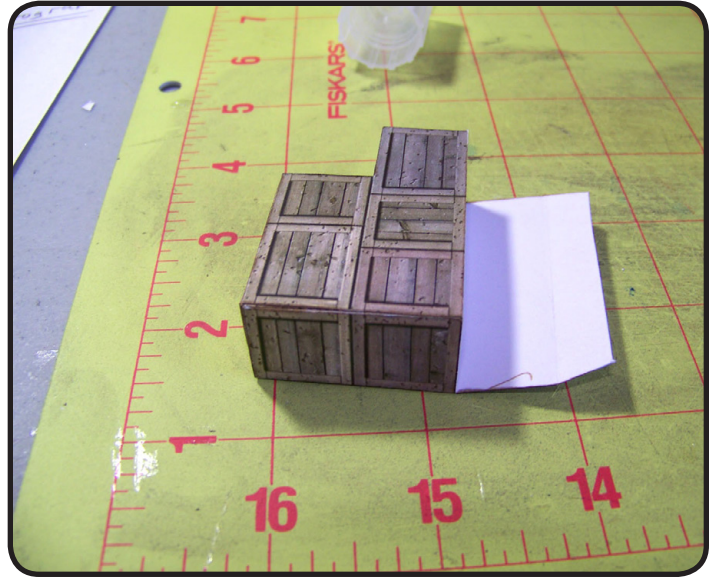

4: Glue front flap.

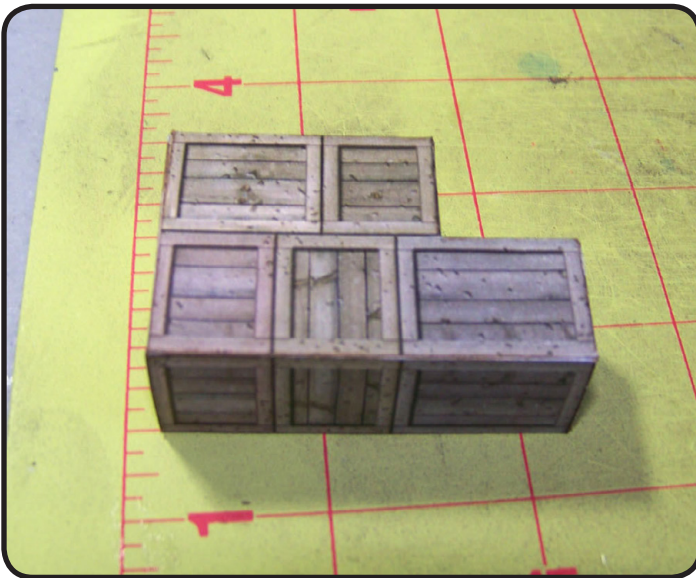

# E-Z DUNGEONS

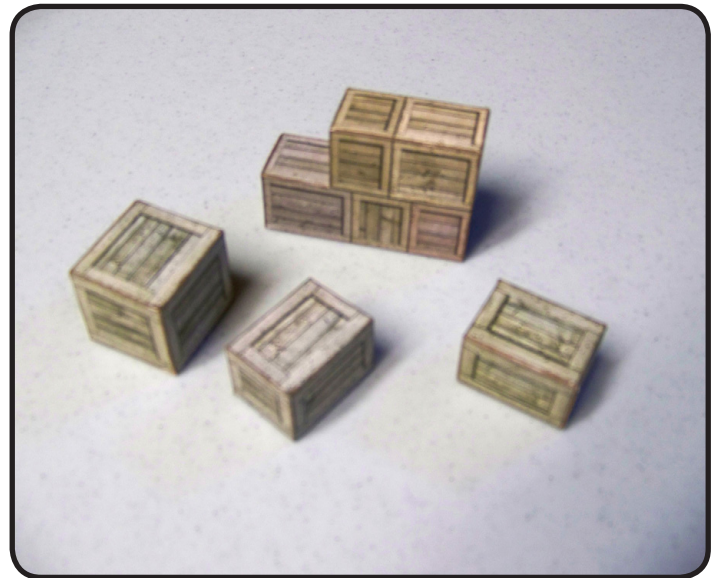

5: Glue the rear flap.

6: Glue the bottom flap last.

7: The finished group of crates

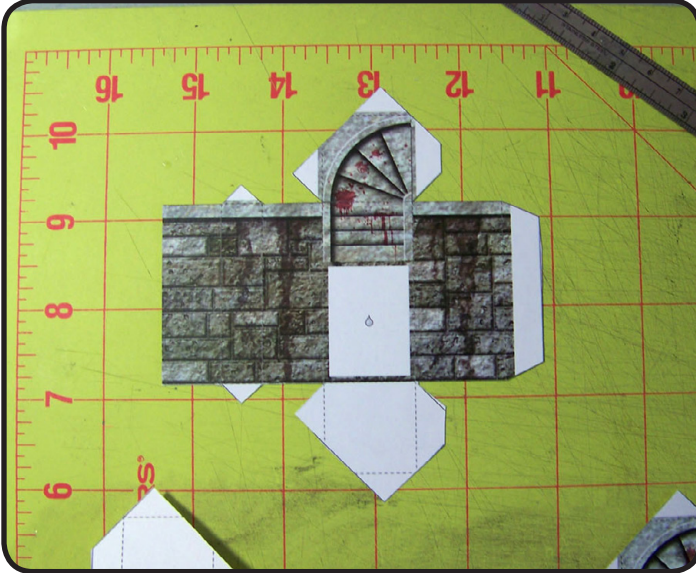

8: The small individual crates assemble like the wall model in the Beginners Guide instructions.

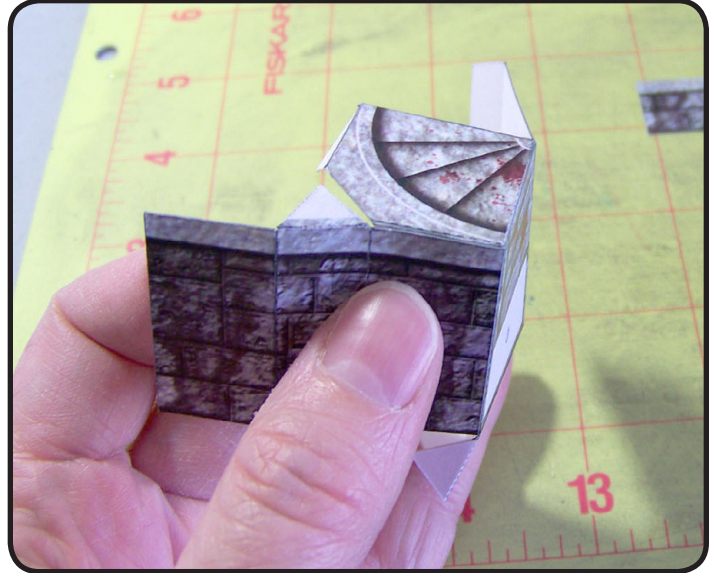

# E-Z DUNGEONS

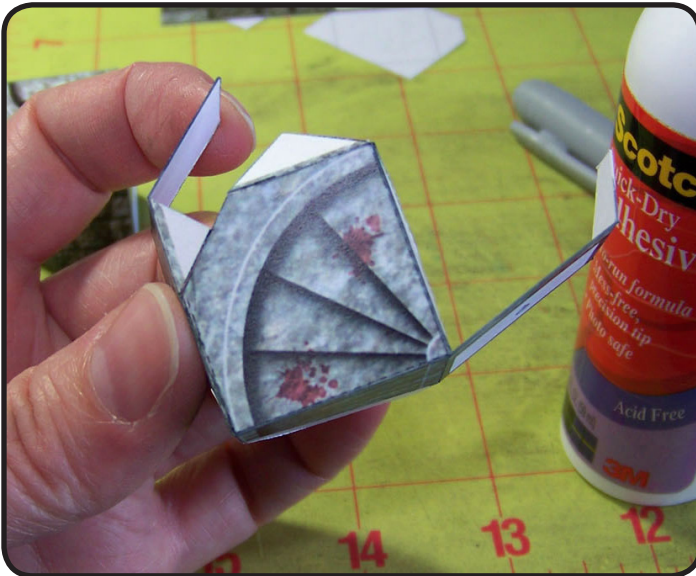

## Spiral Stairs

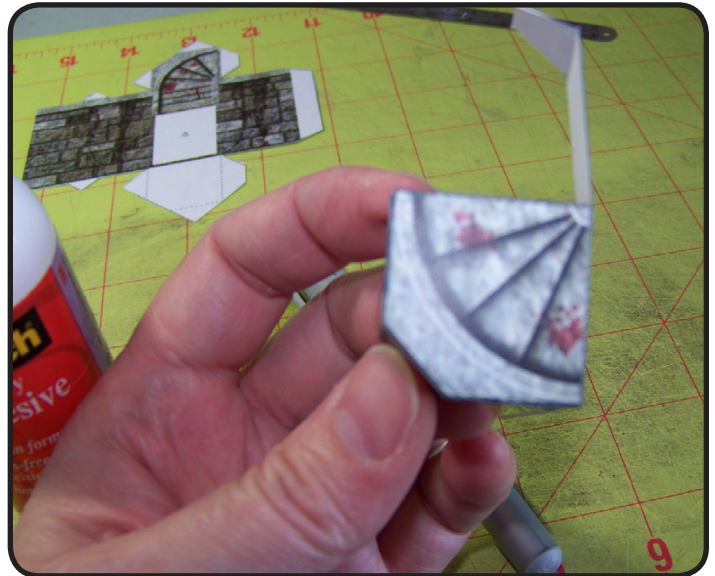

1: Cut, score and test fold each piece.

2: Glue the long side wall one flap at a time to the top and bottom flaps.

3: Continue doing this until the long side wall is completely glued.

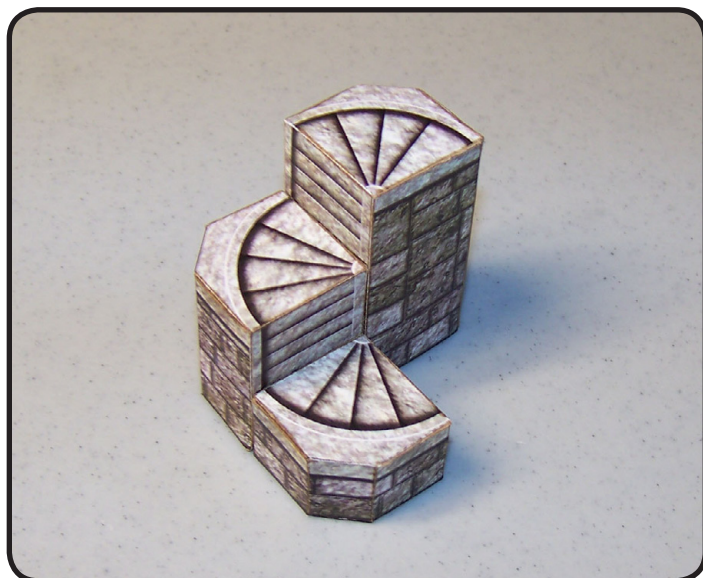

4: Finish by gluing the short wall flap into place.

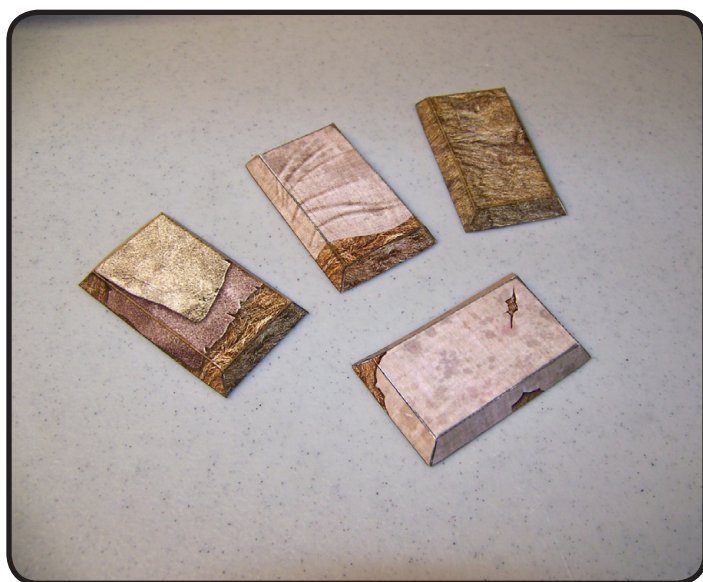

# E-Z DUNGEONS

5: The finished individual piece.

6: All three sections glue together to form the 1" wide spiral stairs.

Bedding: Glue the four corners as shown.

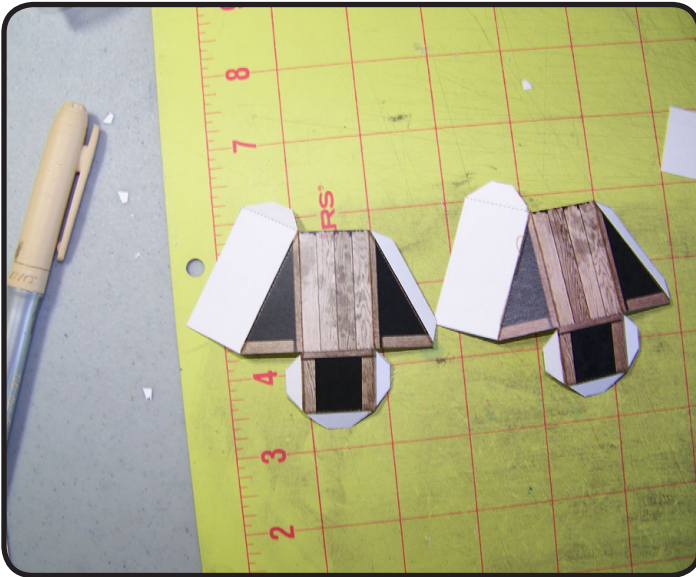

Bookcases: These build just like the walls shown in the Beginners Guide.

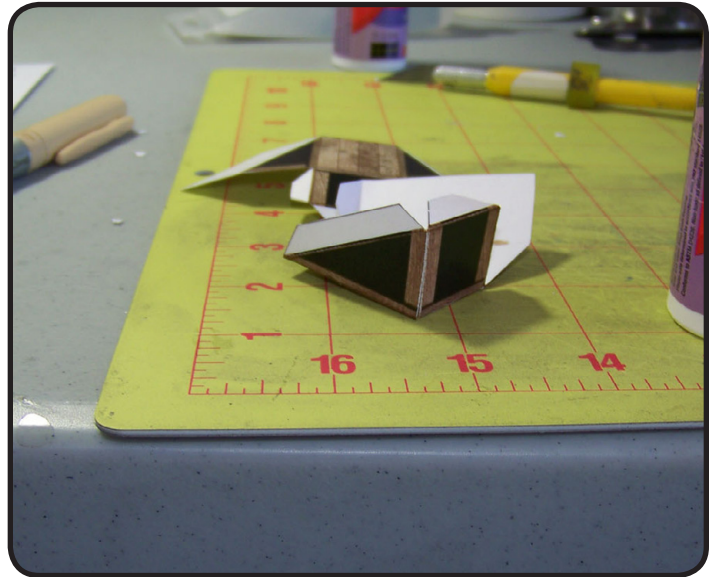

# E-Z DUNGEONS

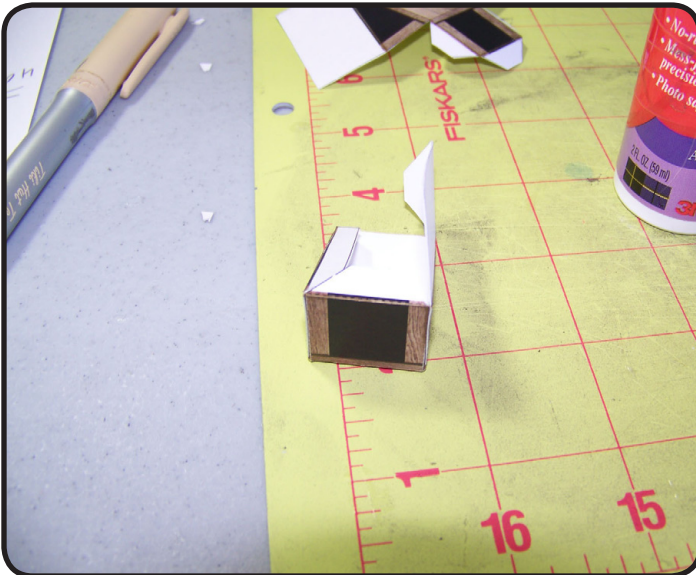

## Broken table

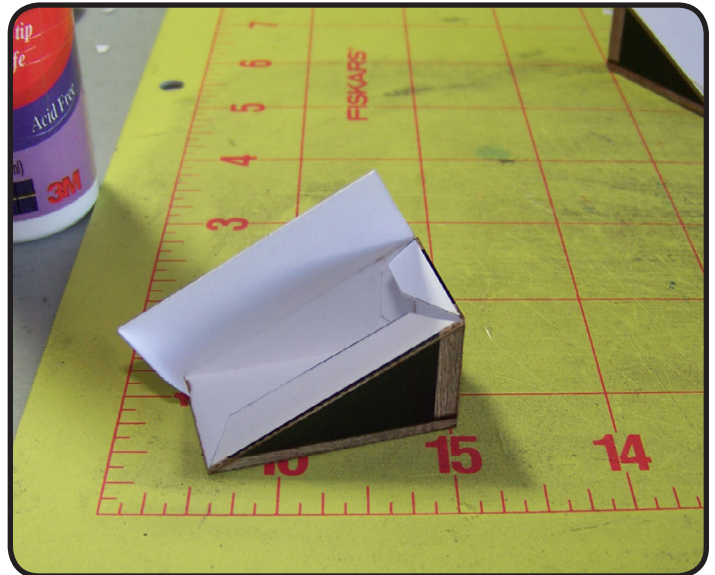

1: Cut, score and test fold the table pieces.

2: Glue the end flap first, starting with one tab.

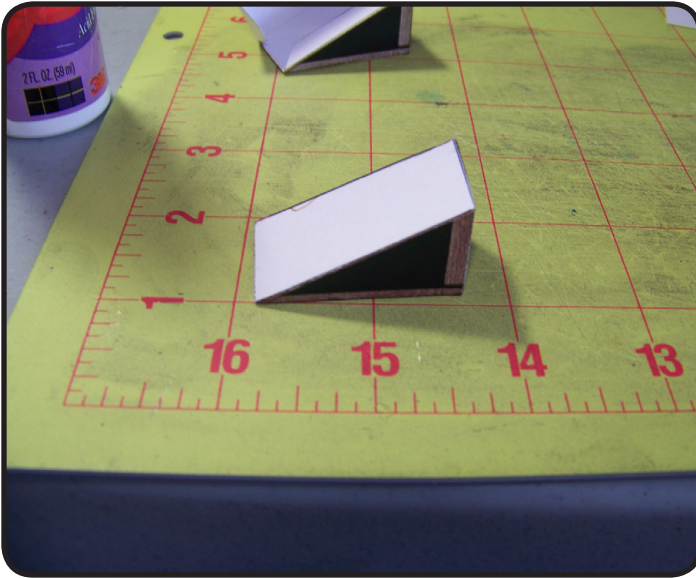

3: Glue the opposite tab on the end flap.

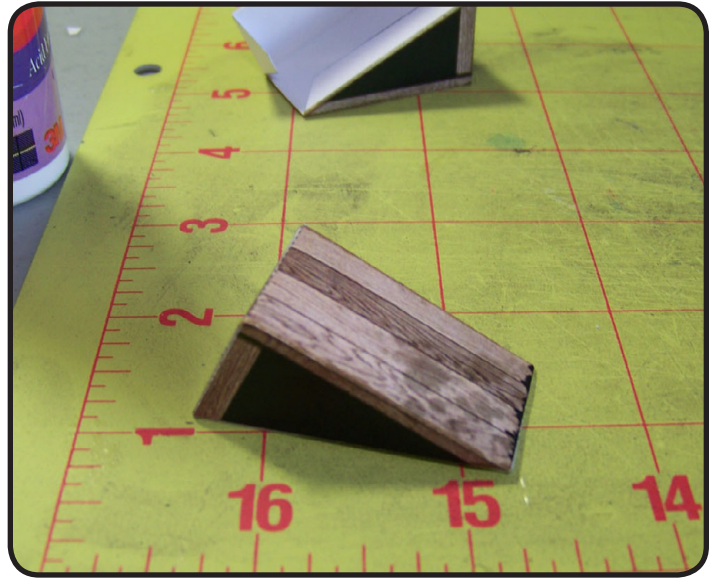

4: Fold the bottom flap and glue.

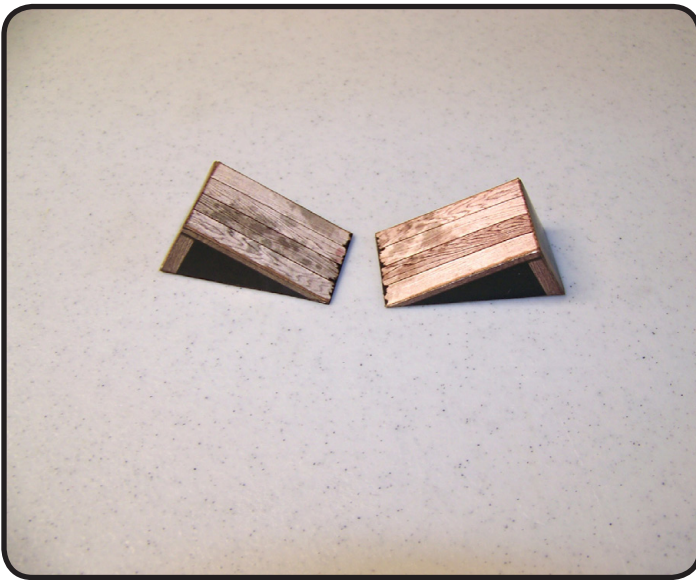

# E-Z DUNGEONS

5: Edge the bottom perimeter edges with a black marker.

6: Edge the table with a brown marker.

7: The finished broken table.
