The Crystal Throne Room

Sat upon an impossible throne of solid crystal, the fiend watches you approach with malevolence in his gaunt eyes.

Whilst you prepare yourself for a battle, he prepares himself for your inevitable death.

The Crystal Throne is a special set of maps made for the **Horror at Misty Meadows** adventure by Absolute Tabletop. The climax of the adventure takes place in a mine. In a throne room of pure crystal sits a fiend, and upon his word the floor shatters to reveal a lake of boiling tar beneath the sheet of crystal. These two battlemaps allow you to play this final scene as you finish your adventure.

To get the adventure itself visit Absolute Tabletop at their site or at DrivethruRPG

We've also made a battlemap of the Tar Pits mentioned in this adventure, and you can get it at DrivethruRPG

If you'd like to expand the Mines before your adventurers meet their end, you can get other maps from the Modular Caves and Mines range at DrivethruRPG.
