Tips & Tricks:

Some printers have mirror printing capability. Using this feature on asymmetrical tiles can add even more versatility to your tile collection.

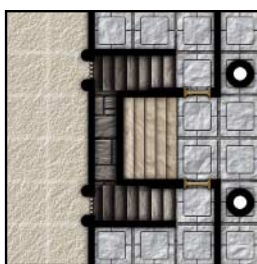

Make sure that the **Print to Fit Page** option is clicked OFF so that the tiles will retain their one inch grid.

Look for free e-Adventure Tiles at **www.skeletonkeygames.com**. A bonus Tile is included at the end of this document that will help you to design the inner workings of your Coliseum, beneath the battle field, by linking to **Dungeons Vol. 1** or **Halls of the Dwarf Lord**.
