# snake charmer

The snake charmer uses strange and unconventional methods to heal the sick and focus the mind. He or she can diagnosis illness, treat sickness, and heal minor wounds. Snake charmers know how to mix the juice of a cactus with the stock lining of a stink bug to produce an unguent that cures sunburn, and so on. Snake charmers begin play with two additional drama points..

**Who\* died and was then brought back by your healing arts?**

**Who declared you a witch, but was publicly admonished for it?**

**Who seems to be immune to your medicine?**

**Who\*\* have you been slowly poisoning?**

Anytime the snake charmer rolls dice on an action related to diagnosis or curing an illness, he or she rolls on the snake charmer action chart. All other rolls are made on the snake charmer fight chart or general action chart.
