SPELL

UNLEASH CHAOS

At the beginning of a session, place a number of tokens equal to your Spellcast trait on this card.

Make a **Spellcast Roll** against a target within Far range and spend any number of tokens to channel raw energy from within yourself to unleash against them.

On a success, roll a number of **d10s** equal to the tokens you spent and deal that much magic damage to the target. **Mark Stress** to replenish this card with tokens (up to your Spellcast trait). At the end of each session, clear all unspent tokens.
