SPELL

CONFUSING AURA

Make a **Spellcast Roll (14)**. Once per long rest on a success, you create a layer of illusion over your body that makes it hard to tell exactly where you are. **Mark any number of Stress** to make that many additional layers.

When an adversary makes an attack against you, roll a number of **d6s** equal to the number of layers currently active. If any roll a 5 or higher, one layer of the aura is destroyed and the attack fails. If all the results are 4 or lower, you take the damage and this spell ends.
