LURUI-2 THE GIBBOUS MOON

LURU03 Friend of Helios

You have shown great faith in the Innkeeper of the Gibbous Moon in Everlund. You have purposely allowed him to remain unpunished for his past crimes in Sundabar. You have free board and lodging when staying in Everlund, although the Gibbous Moon is in no way palatial. Helios may from time to time be able to pass useful information to you, though this will undoubtedly cost a few coins.

LURU04 Friend of Darvin Surehand

Saving the life of Darvin and helping his son, Oliff, has given you two friends for life. If in the future you require his assistance he has pledged to give it to you. In addition being a merchant, he may be able to offer you rare trinkets in future Luruar adventures that would not otherwise be available.
