SPEC2-1 H2 DOGS OF WAR

SPEC20 Yeenoghu's Ritual

You have gained access to a very unusual ritual book. It contains an elaborate prayer in Abyssal. The purpose of this ritual is to ask Yeenoghu for the power to protect the recipients from the Spellplague and plaguechanged creatures. The usage of this ritual does draw the attention of Yeenoghu and repeated usage will surely result in the caster becoming chaotic evil. The ritual does not guarantee that Yeenoghu will respond. Details of how this ritual may be used will be provided in any adventure in which it applies. Otherwise, it remains a very interesting curiosity.

Note: You may only earn one of the following two story awards during this adventure (and you might earn neither of them). Strike through the text of any awards you did not earn.

SPEC21 Impressed Ignatius von Droom

You have impressed the paladins of Elturgard, and Ignatius von Droom will provide a favorable reference for you.

SPEC22 Impressed Tyrangal

You have impressed Tyrangal, a mysterious eladrin. She may seek your aid again during future adventures.
