TYMAI-4 DEATH BEFORE DISHONOR

TYMA07 Reputation in Djerad Thymar

You have recovered a valuable artifact and returned it to one of the power groups in the city of Djerad Thymar. Although it takes many great deeds to build up a reputation, your actions have shown that you are on the path to greatness. Circle the ONE entity in the city with whom you gained the most favor in this adventure.

TEARN, THE OUTCAST
TALMAR ELDWING OF HOUSE TLASSIAN
THE PLATINUM CADRE OF BAHAMUT
THE LANCE DEFENDERS

TYMA08 Gratitude of House Vkriss

Your unexpected assistance to the Vkriss (whether intentional or not) has caused them to look upon you with favor. If ever you should need a leg up among the criminal underworld of Djerad Thymar, you now have someone you can talk to. Of course, the city's legitimate authorities and the Church of Bahamut might not look quite so favorably on your new "friends."

TYMA09 Contact with the Sphere

You have somehow been touched by the Sphere of Laskanova, a powerful artifact of unknown provenance from the region of Tymanother. As far as anyone knows or can tell, the Sphere's powers are currently dormant. Nevertheless, you cannot help but feel as though you have established some kind of mystic connection to the artifact, a faint sense that it is somehow... watching you. What effects this may have, for good or ill, only time will tell.
