Dwarven Chain Mail +2 of Underwater Movement

This armor, sized for dwarves, allows a dwarf to move at regular movement rate underwater, whether swimming or walking. It does not grant water-breathing power, nor does it affect combat underwater in any way (penalties for underwater attacks still apply). The chain mail itself is of faulty design, and provides only AC 4 protection including the magical bonus.

Talisman of Purity

When worn by a person of good intent and alignment, and while the wearer and those protected (anyone within a 10-foot radius of the wearer) perform no aggressive acts, the talisman provides protection as a *sanctuary* (1st level cleric) spell cast at 6th level (duration 8 rounds), and evil beings have a -4 penalty to saving throws vs the *sanctuary* effect. The effect can only be activated before any aggressive actions have taken place. The magic does not affect any creature to whom the wearer has been aggressive in word or deed. The magic of the talisman does not affect undead or extra-planar beings of greater than 8 HD.
