Recorder of Recording

This item works as described in the *Complete Bard's Handbook*, with the following clarifications:

- 1) It can only hold one thing recorded at a time, so as soon as the user records something new, the prior recording is lost;
- 2) the recorded sounds cannot be used to activate any magical effect—this means that it cannot record spells, command words, or anything which would activate or bypass a magical item or spell.

The user must bring the *Complete Bard's Handbook* (or a copy of the description page for this item) to use this item.
