## *Broad Sword +1*

[ ] [ ] [ ] [ ] [ ] [ ] [ ] [ ] [ ] [ ] [ ]

This sword works exactly like a +1 broadsword but when used against someone with an active *stoneskin* spell, the sword ignores the affects of the spell, allowing the sword to do normal damage when the bearer successfully strikes the AC of the *stoneskinned* being. Each such use drains one charge; the sword has 10 charges. When the charges run out, the sword is still a *broad sword +1*. Every swing of the sword still considered an attack, so each will still remove one defense of the *stoneskin* spell.

***Banner of Shaundakul***

This large (4' x 4') deep purple banner is dominated by the holy symbol of Shaundakul, an upright silver left hand, palm out and fingers together, its wrist trailing away into rippling winds on a deep purple background of circling winds. It is intricately detailed and made from the finest cloths. It is valued at 2,000 gp. It is uncertain how old the banner is, but from the worn and used look, is well-traveled. The banner can be placed on a wall or used as a flag or standard. There are silver eyelets on the left edge. Banners such as this were used in the past to provide protection to caravans or travelers.
