Obtained the following item in the event *For a Few Zhents More*  
**Reward for Taking the Poison**

Those PCs who moved forward and took a blow for one of the **Flight of Arrows** and fell into a coma (and were not awakened within the hour) will be removed from game play for 3 months, or use 12 time units to play the PC sooner. The city will secretly reward them for their bravery and selflessness with one of the following (PC's choice): Check which is chosen (one only):

- Recommendation to Knights of the Lady
- Recommendation to Knights of the Dove
- Medal of Valor: The medal of Valor adds +2 to all Fame checks in City Government, Lord Mayor and Upper Class. If all these are already above 19, then apply to general. This only comes into play if the PC wears the medal AND never reveals the true story of what they did.
