

This is to verify that the Living City™ character

Obtained the following item in the event *Going Ape*
Orchid Ribbon of Talutah

This ribbon was enchanted by an ancient wizard, Talutah. Inside its threads rests one spell--*feather fall*. The spell is released when the wearer falls more than twenty-five feet. The wearer is protected, the magic is expended, and the now-nonmagical ribbon flutters to the ground. The ribbon does not function if the character falls twenty-five feet or less.

Obtained the following item in the event *Going Ape*
Silver Ribbon of Talutah

This ribbon was enchanted by an ancient wizard, Talutah. Inside its threads rests the magic to prevent one magical aging attack. If the wearer is aged via a magical effect or through the attack of a ghost or like creature, the ribbon protects him. Then spent, the now-nonmagical ribbon flutters to the ground.

Obtained the following item in the event *Going Ape*
Turquoise Ribbon of Talutah

This ribbon was enchanted by an ancient wizard, Talutah. Inside its threads rests the magic to negate the effects of one gaze attack, such as from a medusa, catoblepas, etc. This does not make the wearer immune to the gaze of a creature, as viewings beyond the first will effect him. Once used, the now-nonmagical ribbon flutters to the ground.
