

This is to verify that the Living City™ character

Obtained the following item in the event *Something in the Water*

Buckle of Protection +1

This large oval belt buckle is fashioned of polished copper. The enameled image of interlocking oak branches bearing golden-brown acorns encircles the outer rim of the buckle. In the center of the buckle, the image of a sturdy oak tree is enameled in shades of brown and rust. The workmanship is extremely fine. The enamel is smooth and shiny, and cannot be scratched. The buckle gleams in even the dimmest light and feels warm to the touch, as if it had been lying in the sun. This buckle can be worn with *rings* or *cloaks of protection*, but will not work as a protective item if both a *ring of protection* and a *cloak of protection* are worn with it. It combines with magical armor as a *ring of protection*.
