This is to verify that the Living City™ character

Obtained the following item in the event *Stoneheart*  
***Oil of Stone to Flesh***

Functions just like the wizard spell of 6th level except anyone can apply the oil to a victim that has been turned to stone. System shocks are required to be turned back to flesh. This item does not work on things that were not at one time flesh, so it will not turn a stone wall to a flesh wall.
