

This is to verify that the Living City™ character

Obtained the following item in the event *The Swearing Stone*

# *Favor of Torm in the form of a Rose*

This favor allows a PC to tell the truth and be believed. In other words, as long as the PC is being truthful, the listener believes him or her. For example, if a PC were caught by a city guardsman in an innocent but suspicious-looking circumstance, the PC could tell the truth, and the guardsman would believe him or her. The rose cannot be used to lie.

After this ability is used once, the rose crumbles to dust.

Obtained the following item in the event *The Swearing Stone*

# *Shield of the Stone +1*

The shield has the special ability to absorb all of the damage from a single physical attack (like the protection from a *stoneskin*) when used in the defense of an innocent (someone who is unarmed and not fighting). The intent to use this must be declared after a successful attack has been made upon the bearer but before damage has been rolled. It does not absorb energy drain, ability drain, or other such magical attacks. This ability can only be used once per adventure.
