Bowl of Monster Summoning

To activate, the user must pour a vial of holy water into this 2' diameter bowl, and meditate over the bowl for 1 round. Any monster summoning spell cast by the user on the following round summons monsters of the next highest category (i.e. a *monster summoning I* spell would instead summon creatures normally called by a *monster summoning II*). Number of monsters summoned is determined by the initial spell. The bowl is usable once per adventure. The bowl is usable only by wizards and bards.
