

MASHED

1950–1953 CALENDAR

Contents

This PDF contains a Commanding Officer's calendar for use with the *MASHED* RPG. The calendar runs from June 1950 to July 1953, covering the length of the Korean War.

Advertisements

Use the vintage advertisements and announcements to inspire new fiction for your game. For instance, a grocery store ad might inspire fiction involving a food shortage or excess, a black market deal, a letter from home, or more. Likewise, a holiday announcement could become a camp event.

Phases and Events

Because this is a CO's calendar, it includes notes on phases and events. Only some of the most significant items important to I Corps and those who serve within it (like the 8099th MASH) are listed here. For a more detailed look at the Korean War and its events, see the References section of the *MASHED* RPG.

Feel free to share the calendar with your players—unless they prefer not to be forewarned about specific historical events.

Printing Instructions

Print all pages in landscape format, on 8.5" x 11" paper, at 100% size (do not select 'shrink to fit' or similar when printing).
