STARFINDER

CORE RULEBOOK PAWN COLLECTION

Open the shuttle bay doors and bring your science fantasy adventures to life with this beautiful pawn collection, designed for use with the Starfinder Roleplaying Game or any tabletop roleplaying game! Within the *Starfinder Core Rulebook Pawn Collection*, you'll find 100 unique creature pawns, including members of all core races and classes, perfect for representing your next character or deadly foes, as well as bizarre alien monsters to aid or challenge your players. In addition, you'll also find 15 unique starship models from the *Starfinder Core Rulebook* to help you better track the laser-filled chaos of space battles. Best of all, this set contains multiples of most pawns, so your heroes will always be able to face off against a horde of space goblins and security robots or blast their way through a fleet of warships! Printed on sturdy cardstock, each pawn slots into a size-appropriate plastic base from the *Starfinder Pawns: Base Assortment*, making them easy to mix with traditional metal or plastic miniatures. The *Starfinder Core Rulebook Pawn Collection* is the best way to ensure you've got the perfect character for every Starfinder Roleplaying Game encounter!

The *Starfinder Core Rulebook Pawn Collection* includes pawns suitable for representing player characters, allies and enemies, starships, mechanic drones, aliens, and more! While creature pawns are broken out by base size, all starship pawns use Medium bases, from the tiniest fighter to the largest warship. Inside this set, you'll find:
