

TRAVELLER

THE PIRATES OF DRINAX

Written By Gareth Hanrahan

KEY PORTS

These tables list several key systems in each subsector that will play a part in the *Pirates of Drinax* campaign that the players can win to their side or use as a hunting ground for fat merchants. Each system is described as follows:

Name: The name of the system.

Loc.: Its location within the subsector.

Attitude: Its attitude towards pirates at the start of the campaign.

Traffic: Its level of space traffic.

Base: Any bases present in the system, if any.

Statistics: Its UWP profile.

Trade: Its trade codes, if any.

Adv.: The adventure in which Library Data and a patron, adventure or other encounter is presented for that system.
