

# Urban Mayhem Mini Mart Furnishings

Modeler: Joe Spears (Luckyjoe)

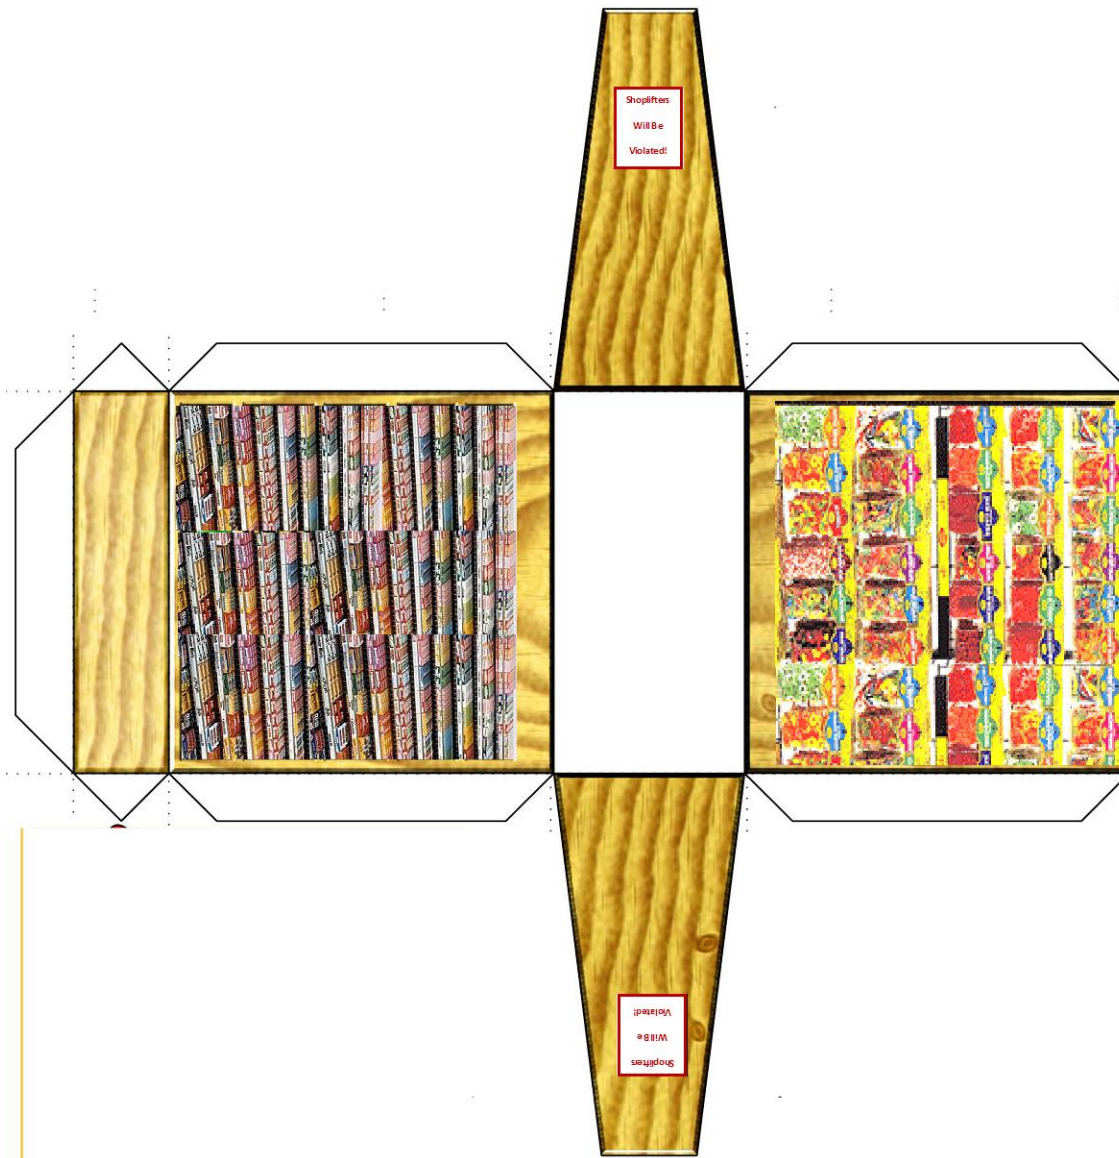

Sets: Mayhem Armory

Set Items Needed: None

Contents: 3 Merchandise shelving units. 1 Wall-mounted Beer Cooler. 1 Beer Cooler sign. 2 interior signs and 1 exterior sign. 1 Sunglasses rack.

A little while ago I made a Mini-Mart for my Urban Mayhem table and realized I needed some furnishings for it. I went to the Mayhem Armory set and decided I could use the display shelves from them if they were modified a little. I also found a few signs on the interweb and added them to the bash as well. The shelves are simple box-folds and the signs are simple flats to glue onto the wall or counter. The counter I used was from the Mayhem Mega Mall (not included). Next up was a big wall mounted beer cooler which was made based on the big window form the Urban Mall Storefront kitbash. Enjoy.
