Cut out these bonus crates
to fill your cargo hold!

Now you've got a ship;
but when you need a 'bigger boat'...

Alien Quadrant: Races

A collection of 12 new alien races to introduce to your sci-fi campaign. They are presented as a set of new species in an expanded view of your campaign's galaxy, or as a new planet for a new campaign. Each race has details on their societies, politics, and physiology, including levels of technology and powers. Many races are included for adventures and interactions for encounters. Suitable for any RPG system.
