

LEGENDARY PLANET

A dramatic illustration of a large, blue, scaly dragon breathing a powerful stream of fire. The dragon's head is in the upper left, with its mouth wide open, and the fire extends towards the bottom right. In the bottom right corner, a man in a dark space suit with a helmet is shown in a dynamic pose, looking back over his shoulder. The background is a dark space filled with stars and a large, pale, cratered planet or moon in the upper right. The entire scene is framed by a decorative orange and black border.
